Lohith Burra - Offline V3 Layout Fixture

Mannheim, Germany | +4915124223947

SUMMARY

Offline structural fixture for a substantial AI engineering resume. It demonstrates the v3 hierarchy, all four employers, twelve concise experience bullets, one local project, and education without making a live job-fit or writing-quality claim.

CORE SKILLS

Languages & interfaces: Python, SQL, TypeScript, APIs

AI frameworks, models & providers: LangGraph, LangChain, OpenAI

Deployment & practices: Docker, Kubernetes, CI/CD, MLOps

PROFESSIONAL EXPERIENCE

Manager, AI & Automation Jun 2026 - Sep 2026

Corominas Consulting

- Built a configurable multi-tenant workflow with explicit validation and approval states.
- Separated model orchestration from provider calls and controlled inference cost.
- Added visible agent actions, durable state, and human escalation for risky changes.

AI Automation Engineer Mar 2026 - Jun 2026

Formula Dream

- Connected event triggers, scheduled recovery, structured generation, and publishing endpoints.
- Generated reusable workflow definitions instead of rebuilding interface steps manually.
- Converted repeated event operations into parameterized data-driven templates.

AI Engineer Apr 2025 - Mar 2026

Think Round Inc.

- Built retained-context conversation behavior with memory and confidence handling.
- Placed fail-closed evaluation and safety routing before response release.
- Supported a shared platform structure for several specialized agents.

Program Analyst Feb 2022 - Aug 2023

Cognizant Technology Solutions

- Built distributed ingestion pipelines supporting production-scale downstream analytics.
- Accelerated the data-to-KPI path through focused pipeline optimization.
- Applied validation and pipeline testing around explicit downstream data contracts.

KEY PROJECTS

Local AI Workflow Prototype

- Implemented a small local JD-stack workflow with explicit inputs, state, and validation.
- Produced inspectable output and a GitHub-ready implementation without employer metrics or scale.

EDUCATION

Master of Science - Data Science - Stevens Institute of Technology (2025)

Bachelor of Technology - Mechanical Engineering - JNTU K (2022)
